

náhľad na 1m² plochy vzoru:

| rozmery matrice / mat sizes    | [mm]    |
|--------------------------------|---------|
| A                              | 1500    |
| В                              | 3000    |
| hrúbka matrice / mat thickness | [mm]    |
|                                | 6,0     |
| hmotnosť matrice / mat weight  | [kg/m²] |
|                                | 9,0     |

## rozmerové tolerancie / dimensional tolerances

| A/B              | [%]  | ± 1 |
|------------------|------|-----|
| hrúbka/thickness | [mm] | ± 2 |

|                                    | 00-70 |
|------------------------------------|-------|
| tepelná odolnosť / heat resistance | [°C   |
|                                    | + 80  |
